

**Request For Proposal  
Professional Services for  
Hwy 301 North Sidewalk Improvements**

The County of Greenville is seeking professional engineering services proposals for the construction and project administration of sidewalk improvements along Hwy 301 North.

Interested firms or individuals are requested to submit qualifications and references on 254/255 forms. Proposals will be received by Linwood E. Pope, Jr., Project Manager, at 1781 Greenville County Circle, Emporia, VA 23847 until **2:00 p.m., Friday, December 6, 2013.**

The selection will be made in accordance with the procedures outlined under "Competitive Negotiations" in Section 2.2-4301 of the Code of Virginia. Minority Owned Businesses (MBE's) and Women Owned Businesses (WBE's) are encouraged to respond.

Interviews will be conducted with a minimum of two qualified firms the week of December 9 - 13, 2013.

The County of Greenville may elect to add final design and construction administration services to the work scope and reserves the right to reject all proposals.
